

Remarks/Arguments

Claims 9 - 30 as presented in the divisional application are subject to restriction. This amendment provides a complete listing of the claims in the application, including withdrawn claims 9 - 13 which were inadvertently omitted from the previous amendment dated March 9, 2005, considered to be "non-compliant" by the Office because of that omission.

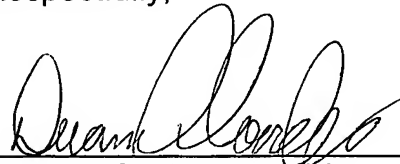

Applicants hereby elect claims 14 - 30 (group II) for examination purposes. The claims are amended accordingly.

The specification is amended after the title to reflect the patent number for the original application.

In conclusion, it is believed that this application is in condition for allowance, and such allowance is respectfully requested.

Any fees or charges due as a result of filing of the present paper may be charged against Deposit Account 04-0525. Two duplicates of this page are enclosed.

Respectfully,
